

WorldClaim Global Claims Management will Assist Homeowners and Businesses with Recent Storm Damage in the Atlanta area

WorldClaim Global Claims Management will assist homeowners and businesses with recent storm damage in the Atlanta area.

Atlanta, Georgia -- Tornados, high winds and lightening ravaged Atlanta and surrounding communities Wednesday night and WorldClaim Global Claims Management has their first response teams stationed throughout the area to assist homeowners and businesses. WorldClaim public adjusters are immediately available to review storm damage, assess insurance policy benefits, and complete the analysis necessary to file property and business interruption claims. WorldClaim representatives are storm damage experts and work with insurance companies on behalf of property owners to ensure they receive all policy benefits to which they are entitled. Contact WorldClaim directly at 1-800-831-1331 or go to www.worldclaim.net for more information.
